

INSTITUTIONAL DISTINCTIVENESS

ACADEMIC YEAR 01/07/2017 TO 30/06/2018

The institute encouraged the students for higher education in their interested areas. The institution believes in equal opportunity to all and works in that thrust area, making the students better and responsible citizens in the future. Apart from curriculum and equality education to the young generation and inculcate the moral values the institution has arranged various programmes. The institute organizes Special Guidance for backward students of FYBCom and FYBA. The institute conducts various programmes related to personality development, lectures series on various subjects by concern departments.

The events such as Voter's awareness, lectures on Gender Sensitization, tree plantation, Swachhta Abhiyan, Community Harmony Campaign enable the students to develop social awareness and social equality. The three day's training in meditation arranged by NSS department ensures qualitative improvement in tolerance and peace. Cultural committee of the college motivates, so to enrich the sense of tradition and culture among the students.

Laptops encourage students to be technological whizzes. It also encourages learning and makes them self-sufficient. We need a professional even for minor problems of laptop. For such a need the institute organized Laptop Repair Workshop to give at least basic knowledge of software and hardware to the students. The students of the colleges from Pune City has participated in this workshop. Thus the institute has a track record of working for upliftment of students belonging to economically and socially backward students of the society.
