Student Satisfaction Survey Report (SSS)
(2016-17)

SSS questionnaire was physically distributed to the students of the college (both Arts & Commerce faculty students). Almost 70 students provided feedback that was complete in all aspects. Regarding syllabus, teaching, communication, dialog & coordination of staff with students, teacher`s interaction, most of the students were satisfied. However, Cultural, Co-curricular & student welfare activities were conducted satisfactorily.

Availability of different Scholarship programs was communicated to the students from time to time. As far as the sports participation, guest lectures, cleanliness, orientation, overall guidance, research, placement, most of the students were satisfied.

A little bit of disappointment was shown by the students when it comes to the availability of the reading hall, canteen facility and Gymkhana facility.
